FROM 11:00 AM TO 12:00 PM

Principal's Update

As a principal, many of my current thoughts are dedicated to planning for the 2020/2021 school year. We are brainstorming about class configurations and staffing assignments. Although this work is complex, I want to assure you, that your child is **individually** considered during the process. Our deep hope is that we create powerful learning environments where each one of them can flourish. Please keep us in your prayers.

Entrepreneur Project Update:

Our Grade 4-6 Drayton Christian School Entrepreneurs have donated over \$750 to the following charities from their Market Profits: Cause for Critters, Drayton Valley Food Bank, Beehive Support Services, Stollery Children's Hospital, Cross Cancer Society, Brightwood Youth Ranch, Palliative Care Drayton Valley, Australian Wildfires, Lone Prairie Bible Camp, STARS, & the Rimbey Hospital. Students also tithed 10% of their earnings to local churches. Thank you to all those that supported our Entrepreneurs during this valuable learning experience!

K-3 COME MEET AN AUTHOR ON MARCH 12TH

Meet author
Michelle Eliason

The plan is to have the baby at the hospital but the baby has other plans... How will this baby "Splish Splash" into the world? Delight in talking with your own kids or grandkids about their stories of where they were born. To find out more visit www.meliason.com.

PORTAL GR. 7-9

The administration and staff at Drayton Christian School are excited to announce that we can provide you with access to your child's current grades and attendance via the internet.

This provides access to the most recent data collected by teachers on student accomplishments and progress. To access this information, you will need to follow the step by step instructions that come home with your child's report card. Parents can access detailed information on powerschool at any time.

Please keep Mr. Wang and Mr. Webb in your prayers as they are both currently on medical leave. The school team is pulling together to support learning. Mrs. Weis is working with Miss Otegbade in the 2/3 class in Mr. Wang's absence. We are very thankful that Mr. Sean Madill will continue to teach Math and PE for our students.

Mr. Madill is a retired principal and most recently taught Math 30 at Frank Maddock High School. He has been going above and beyond to assess where our students are at and plan for their learning.

Students Take the Lead at Spring Interviews

Monday, March 23rd

4:30 PM to 6:30 PM

Our hope is that all of our students are active participants in their learning. This term, we will give them a chance to shine as they take the lead in showcasing their own learning. Teachers will be in their rooms to support the process.

If you would like a traditional interview time as well, please reach out to your child's teacher.

Congratulations to our Archery Club at the St. Anthony's School Tournament. Next tournament is at the Edmonton Boat and Sportsman Show on Friday, March 13th.

PARENT SUPERPOWERS

Community Parenting Coalition

PRESENTS DR. JODY CARRINGTON

Come join us for a free evening with Dr. Jody Carrington, where she will be talking about one of the hardest jobs on the planet, parenting. You can expect an evening of laughter, stories and maybe a few tears. Jody will share how attachment and connection to our babes and our partners can give our children the most important skill they will ever learn: how to be the kind and connected people we can be proud of.

FREE ADMISSION NO REGISTRATION IS REQUIRED

MacKenzie Conference Centre
5737 - 45 Avenue
Drayton Valley, AB

6:30 - 8:30 pm
March 18, 2020
